

## PACKING UP YOUR CARAVAN

### Interior pack up

- Tv stowed
- Cupboards latched
- Toilet clear and closed
- Shower door latched
- Roof vents lowered
- Antenna down
- Windows closed and latched
- Secure interior doors
- Bench and table top items secured
- Water pump switched off
- BLACK SWITCH is OFF

### Exterior Pack up

- Wind up corner stabilisers
- Unplug electrical lead
- Remove mains water
- Turn off gas bottle
- Pack away awning
- Hitch to vehicle
- Remove jockey wheel
- Fit all trailer plugs
- Check coupling is locked
- Breakaway cable attached to tow bar frame (not receiver)
- Release hand brake
- Remove chocks

### Walk Around:

This is advised to be completed before **every** departure, even after a temporary stop, to ensure nothing has occurred while the caravan has been unattended.

- Check doors secure
- Awning secure
- Picnic table secure
- All lockers secure
- Visual check of wheels and nuts
- Front boot secure
- Ground clear
